It is required by the Monson Zoning Bylaws that any sign **exceeding 2 square feet** to be placed on any property needs a permit. There are restrictions on signs and it is suggested that the applicant read the bylaw, or contact the Building Department **before the sign is constructed**. A link to the Zoning Bylaws can be found on the Building Department page on the Town of Monson website.

Non-compliant signs will be ordered removed.

- A drawing must be submitted with this application, showing the dimensions of all signs.
- A drawing must be provided showing the location of the property of the proposed sign(s).
